Vaccination Policy (please complete one per child)

The physicians and staff of Mack Pediatrics fully support the efficacy and safety of vaccines (aka shots, immunizations, vaccinations). We follow the standard vaccination schedule as recommended by the ACIP (Advisory Committee on Immunization Practice, part of the CDC Centers for Disease Control and Prevention) and the North Carolina State Law as the minimum requirement for vaccination for all of our patients. Mack Pediatrics expects our patients to be vaccinated on time per the ACIP schedule, starting with the Hepatitis B vaccine in the first 24 hours of life in the hospital or birthing center (if vaccine is available).

If you are transferring your child into our practice from another medical provider, we will review the child's immunization records. If we determine that your child is significantly delayed or behind on shots, you will be asked to schedule a vaccine consultation before we will see your child as a patient. We will work with new families to comply with vaccine recommendations and get back on track for your child's current age. However, if a requested vaccine consultation does not occur, or if you are not willing to comply with NC vaccination laws, Mack Pediatrics is not the right practice for your family and we will not accept the child as a new patient. If you decide during the course of being a patient family here at Mack Pediatrics that you do not wish to continue to comply with the NC vaccination laws, then you acknowledge here that your children will be dismissed from Mack Pediatrics and will need another pediatric practice.

We are happy to discuss your questions about vaccines during wellness appointments. If there are extensive concerns or questions, parents will need to set up a separate vaccine consultation appointment. It is important to understand that this visit may not be covered by insurance and parents will be responsible for paying for this consultation at the time of service. Such consultations usually range in cost from $150-$300, depending on the amount of time spent with the physician.

Vaccine Consent Form:

By signing this consent, I am giving Mack Pediatrics permission to vaccinate my child at this and future appointments. I will be offered a Vaccine Information Statement explaining each vaccine before it is administered. I may also refer to https://www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.html for the Immunization Schedules of the Centers for Disease Control and Prevention.

I, parent/guardian of _____ (child's name) have read the vaccination policy and give permission for age-appropriate immunizations to be administered.

Payment Policy and Agreement

Thank you for choosing our practice. It is our goal to avoid any miscommunication or concerns regarding financial matters in order to focus our energies on providing healthcare services for our patients. As such, we believe that establishing a written financial policy is beneficial for all parties.

Mack Pediatrics participates in most insurance plans. Your insurance coverage and benefits are a contract between you and your insurance company. Each plan has different benefits for you as well as different financial obligations. Not all insurance policies cover all services. It is your responsibility to check with your insurance company to determine covered benefits.

We offer a discount for our "self-pay" patients. To benefit from this discount, you must pay in full the day of the service.

The following are our financial guidelines relative to financial responsibility:

_____ (initials) Please be prepared to pay Mack Pediatrics your copay or a $50 deposit for high-deductible plans without copay, at the time service is rendered. If your insurance plan has a deductible (regardless of copay), you will be billed for the balance after your insurance company has let us know the amount they will pay. If your deductible has been met we will credit your account for any excess payments received or send you a reimbursement check.

Please provide your child's health insurance card at each visit for us to copy.

As a courtesy to our patients we accept cash, check, money order, Visa and Mastercard, American Express and Discover.

We cannot extend professional courtesy discounts.

_____ (initials) A service charge of $35.00 will be added for

1. Returned checks.
2. Refiling of claim due to incomplete/incorrect insurance information given at the time of service.
3. Administrative fee associated with accounts turned over to collection agencies.

_____ (initials) Any amount not covered by the patient's insurance including applicable deductibles, additional co-pays, etc., will be due 30 days from the time of service. Late payments will incur an additional billing fee of $10.00 per month.

_____ (initials) Accounts will be turned over to a collection agency if past due 90 days or more. Failure to pay balance may result in discharge from the practice. You will be responsible for all costs involved with the collection of your account, including court costs, reasonable attorney fees and all other expenses incurred with collection, if there is a default on any unpaid balance. In case of extraordinary financial pressures, Mack Pediatrics will assist

you with a payment plan. This plan will need to be in writing with our billing department prior to services being rendered. No balance over $500.00 can be carried on a family account, unless the above-mentioned payment plan has been signed and the arrangement is being followed.

_____ (initials) There is a $35.00 fee for missed appointments (No-Shows) and late-cancellations. Late-cancellations with less than 2 hours notice prior to appointment will incur a $35.00 fee; however, late cancellations of long appointments (consultations or medication rechecks) require 24 hour notice. See "No Show Policy". Families with 3 or more "No Shows" for entire family will be dismissed.

_____ (initials) A "Rush" fee of $30.00 will be charged for any letter that you need a physician to write for your child in less than 5 business days. This fee is due when the letter is requested.

_____ (initials) A "Rush" fee of $30.00 will be charged for any form or paperwork requiring completion in less than 2 business days. This fee will be paid at the time the form is dropped off. Forms brought in at the time of the well child visit or physical exam, and which are not needed in less than 2 business days, will be free of charge. If Mack Pediatrics does not have medical records from your previous practice, because you are a new patient, no "Rush" forms are possible.

Office Hours:

Monday-Friday:

Regular office hours: 8:00 am – 5:00 pm M-F, except 8 am-12 pm Wednesday.

Walk-in Clinic 8:00am – 8:30 am (no appointment needed)--service terminated for COVID pandemic

*The clinic is closed 5 pm to 8 am Monday-Friday, 12 pm to 5 pm on Wednesday, and closed on Saturday-Sunday. Please do not walk-in for urgent appointment.

_____ (initials) Please note that any appointment after 5:00 pm weekdays and all weekend appointments will incur an extra charge. Your insurance company may not cover this charge; it will be your responsibility to pay this charge if insurance does not cover it.

_____ (initials) There are no walk-in appointments on after 8:30am M-F, on weekends or evenings. Walk-ins outside the walk-in clinic time detailed above (M-F 8am-8:30am) will incur an Emergency Service fee, which your insurance may not cover and will be your responsibility to pay.

We appreciate the opportunity to participate in your family's healthcare. If you have any questions regarding this policy, please let us know.

Please sign and initial this document.Signature:

No Show Policy

Mack Pediatrics promises to honor all appointments scheduled with your family. When a family does not come to an appointment and does not call to cancel said appointment ahead of time, that is considered a "No Show".

Mack Pediatrics has a $35.00 No-Show fee for missed appointments of any type (including shot-only or flu-shot). In addition, cancellations less than 2 hours before appointment time will incur a $35.00 fee for all of the following standard appointment types: Wellness Check, Physical Exams, Sport Physicals, Shot-Only, or Flu-Shot.

Cancellations in less than 24 hours for long appointments like Medication Rechecks or Consult/consultations will incur a $35.00 fee.

It is the policy of Mack Pediatrics to respect and appreciate all families. Families who repeatedly miss or late-cancel appointments may be dismissed by Mack Pediatrics. Families with 3 or more "No Shows" for the entire family will be dismissed. If a family is dismissed, we will provide care for another 30 days for emergency sick visits only. This allows the family time to choose a new pediatrician and get insurance cards changed to indicate a new primary care doctor. We will also copy records and send them to the new pediatrician upon request. The fee for copying records is $0.25 per page, with a minimum charge of $15.00 per patient.

Please sign below to indicate that you have read and understand this No Show policy.

Behavior Policy

Mack Pediatrics runs a family-friendly pediatric office, caring for impressionable young children and their families. Although incidents are rare, Mack Pediatrics feels strongly that our patients, their families and our staff deserve to be protected from verbal abuse and aggressive behavior. Respect for each other is our Golden Rule and we expect a civil and harmonious environment for our pediatric patients, their families and staff.

For this reason, we have developed and strictly enforce a "No Tolerance Policy" for abusive conduct, "cussing," crude graphics or language on clothing, threatening or aggressive behavior and theft/larceny. This applies to any action toward patients, family members, visitors and staff of Mack Pediatrics. Furthermore, these rules shall also apply to telephone calls and written communications with our office staff and clinicians, as well as to phone/live conversations that take place in our office between others.

Please sign below that you understand, agree to and will abide by this policy. As a "No Tolerance Policy," there will be no further warnings, second chances or exceptions. Violations will result in immediate transfer of care to another health care provider of your choice. Failure to sign this contract will result in discharge from the practice.

While we understand that disagreements may occasionally occur, these need to be resolved in a civil manner. Depending on the degree of infraction, we reserve the right to involve Child Protective Services, law enforcement and other appropriate agencies should we deem it necessary. We may press charges at our discretion.

Thank you for your mutual commitment to making Mack Pediatrics' office and grounds a wholesome, safe, and family-friendly environment.
